At the expiration of its initial term such contract shall continue from year to year thereafter. After the initial term and subject to the limitation on cancellations during the Winter Season, either party may cancel such contract at any time providing three (3) months written notice prior to the first calendar day of the month the contract is to expire. Unless mutually agreed upon, or unless the termination of service by Company is permitted under this Tariff, state law, or Commission Regulations, in no case shall any service pursuant to the contract be terminated during the Winter Season.

If the measurement equipment fails to register or registers incorrectly, Company will estimate as accurately as is practicable, the quantity of gas delivered. Customer will pay for Gas Service provided based on such estimate(s), in accordance with the terms and provisions of this Tariff for Gas Service.
